Policy # 503 – Student Vehicle Use – Parking on School Premises

The school district does not carry insurance to cover damage to auto vehicles parked on school property. Students parking in school parking lots are doing so at their own risk. Any damage sustained while parked on school property is the responsibility of the auto owner and/or their insurance agency. We encourage students to utilize the bus system for transportation to and from school. Students who drive to school shall follow the following policy: (Check specific rules listed on parking registration form for further information.)

1. All student drivers are required to park in the student portion of the parking lot.
2. Parking permits will be required to park in the student lot. Each student will be required to pay \$50.00 (non-refundable) for the use of the parking lot all year, or \$20 per trimester.
3. Students needing to park on school property only occasionally may do so if space is available. Students need to stop in the office for a daily permit.
4. All transfers of parking permits (i.e. car to car, person to person) must be approved by SAGE Academy.
5. Parking lots are “off limits” during the school day. Permission to go to a car or leave the student lot (during school hours) must be obtained from a staff member.
6. The speed limit at all times in the school parking lots should not exceed 10 m.p.h. Any student exceeding the limit, driving in a reckless manner, or refusing to yield to pedestrians and/or buses may have their permit revoked for an appropriate length of time. (Cars without the proper permit will result in ticketing (\$5.00). Students will be provided the opportunity to appeal their ticket.)

7. There are a limited number of spaces available for student parking. When those spaces designated for students have been allotted, no further parking permits will be issued. Students who anticipate needing a permit later in the school year are encouraged to buy a permit early in order to ensure getting a space.

8. Any student's car without a permit may risk being towed at owner's expense.

9. Students are not allowed to park in the street with or without a permit (according to the city of Brooklyn Park.)

10. Unexcused tardies to school by drivers may result in loss of parking privileges. Leaving school with a student who does not have permission will result in an incident report.

11. Students riding with a student who drives to SAGE will receive the same consequence as the driver for school infractions.
