Policy # 208 – Board Meetings

The meeting schedule for the year shall be determined at the first meeting in the new fiscal year. The Board may call additional meetings. Meeting dates may be changed provided adequate and reasonable notice is given. Meetings shall be open except for disciplinary hearings regarding individual students or staff. Any action required by law to be taken at a meeting of the Board requiring immediate action between regularly scheduled Board meetings, may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a quorum of Board members.
